Timetable

The schedule is valid from the 06. March 2020 until and including the 10. January 2021. Please note the special schedules on the 30. April/01. May and on the 21./24. May. Additional trips are offered, if the weather is fine. Restrictions and cancellations may occur due to fluctuating water levels. Current information and additional trips can be found at saechsische-dampfschiffahrt.de

The price for round trips is only valid when both the outward journey and the return take place on the same day. Return journey refers to a connected outward journey and the same point of boarding and disembarking. Booked tickets must be picked up at least 20 minutes before each trip at a respective service station.

Our prices for children, schoolchildren and students are valid for all regular routes, and selected event trips (ID necessary).

Purchasing Tickets

Tickets can be bought online at saechsische-dampfschiffahrt.de, in our Service Centre on Georg-Treu-Platz 3 in Dresden, and in the service stations in Meissen, Dresden, Pillnitz, Pirna, Kurort Rathen, Königstein, Bad Schandau, as indeed on board from the ship's crew. At the service stations Radebeul, Blasewitz and Prossen, you can only buy tickets on board. We accept cash, EC cash and credit cards. You can further buy tickets in the Tourist Information office in Stadt Wehlen.

Barrier-free localities

The MS „Gräfin Cosel“, MS „August der Starke“, the PD „Leipzig“ and PD „Dresden“ all have barrier-free toilets.

Gastronomy and seating

You will find seasonal and regional food and beverages on our menu on board. Purchase of a ticket guarantees carriage for the agreed trip; however, does not guarantee a specified seat either in the inner or outer area of the ship. Seat reservations are only possible in the inner area and through advanced booking of a gastronomic service: service@sdsgruppe.de · +49 351 866090

Transport of bicycles, baby carriages, and wheelchairs

Bicycles, baby carriages and wheelchairs can be, depending on capacity, brought on board free of charge at your own risk. A member of the crew will allocate a designated place for storage. A reservation in advance to accommodate a bicycle is not possible. To bring a wheelchair, notification before entry is required.
